* Every Saturday, at 8 A.M., come to Holy Name Church (2422 Auburn Ave. in Cincinnati) for Mass followed by Exposition, a rosary procession to the nearby Planned Parenthood facility, and return to Holy Name for benediction. Joining in these rosaries is a peaceful way to stand for life! After recent news revealing the attacks on babies, our prayers are needed now like never before. Pray for a return of sanity and the observation of the Ten Commandments.

Now You Know

Satan always overplays his hand. He always pushes it just a little too far, then his mask slips, his cover is blown, his disguise fails and we see him for who he is. Satan always overplays his hand. He can't resist it because of his pride. He simply can't resist it.

But when he overplays his hand he is always defeated. In that act of pride is his downfall. When he does, many people who were fooled finally open their eyes and say, "This must be

resisted! This is evil! How did we fall for this lie!"

This is what is happening now in the abortion debate. The pro-abortion propagandists are suddenly being revealed for who they are, except that it is not so sudden. It has been building. With advances in medical science, with advances in social media, with advances in pro-life communications the message is getting through.

The politicians have blood on their hands and this is not going to go away. They are now the infanticide people, and America and the world has finally seen the crime of abortion for what it is. The most amazingly crazy thing in all this is that when the devil *does* overplay his hand—as he always does—those who are enslaved by him are unable to see it. They really are blind to it.

We do not suppose that the war over abortion will end happily any time soon, but **the tide is turning.** What we should always remember is that this is not simply about banning abortion. If the crime of abortion is to end then our society will need to return to Christian morality. Abortion is simply one of the poisonous fruits of the sexual revolution, and dealing with that huge cultural phenomenon is an even bigger and more horrible dragon what needs slaying. (A million thanks to Fr. Dwight Longenecker.)

"Think well. Speak well. Do well. These three things, through the mercy of God, will make a man go to Heaven."

— St. Camillus
